Post-production firepower unequalled in Orange County

The Family of Post Modern Edit Companies

Serving movers and shakers, film-makers, and news-breakers throughout Southern California

The right solution at the right price, every time.

# Solutions

for movers and shakers, film-makers and news-breakers.

Unequaled in Orange County and a premier producer in the region, the Post Modern Edit family of companies brings you comprehensive, state-of-the-art production and post-production firepower all under one 21,000 sq ft roof!

We deliver award-winning solutions for production, post-production and broadcasting - call on us for projects large or small.

**Post Modern Edit** [www.postmodernedit.com](http://www.postmodernedit.com)

*TV Production • Commercials • Infomercials*

Full-service editing, post-production, and finishing by some of the industry's most creative editors: linear and non-linear editing, Avid DS and Jaleo finishing, digital compositing, Pro Tools audio suite, motion graphics/animation, ADR & foley, foreign language replacement (dubbing/subtitles), and mass duplication.

**Q-Digital Media** [www.qdigitalmedia.com](http://www.qdigitalmedia.com)

*Authoring • Packaging • Replication*

Turnkey digital video production including digital compression/encoding, authoring, VOD programming, and duplication/replication for DVD, CD; full-service commercial and retail packaging available.

**OCMediaplex Broadcasting Studio** [www.ocmediaplex.com](http://www.ocmediaplex.com)

*Microwave • Satellite • Internet*

One of the few truly integrated broadcasting studios in the U.S. capable of producing live simulcasts via satellite, microwave, AND Internet - our broadcasting studios features an Ultimatte background compositor and Trinity-GlobeMaster Virtual Sets.

## Our Clients

*We proudly serve major Hollywood studios, Fortune 500 corporations, public relations and advertising agencies, and independent producers throughout the United States. We are at home with mass marketers and niche-distributors; large multi-national corporations and independent proprietorships.*

## Our People

*A dynamic, creative, and highly effective team, each member is a specialist in their respective field. We also have a tremendous support staff that manages our day-to-day scheduling, duplication, quality control, shipping, and our MPAA-approved vault services.*
